

## **Sample Proclamation**

CITY, USA National Dairy Celebration Day Proclamation

Whereas, dairy is a true superfood. Milk has 13 essential nutrients, providing our bodies with valuable health benefits.

Whereas, 95% of American dairy farms are owned by families. Dairy farmers care deeply about providing high-quality dairy foods and beverages while caring for their cows and the land they will pass on to future generations in this community.

Whereas, dairy farmers are stewards of the land, with a commitment to sustainability. Producing one gallon of milk creates a 19% smaller carbon footprint and involves 30% less water and 21% less land than it did 10 years ago.

Whereas, dairy farmers care for their cows, ensuring that communities are always nourished with dairy. Cows are the center of the dairy farm. Dairy farmers work 365 days a year making sure their cows have nutritious food, clean water, comfortable bedding, and regular veterinary care.

Now, therefore, be it resolved that I, MAYOR OF CITY, do hereby proclaim DATE National Dairy Celebration Day in CITY, USA.

I encourage all businesses and community members to celebrate the goodness of dairy and the commitment dairy farmers have for providing nourishing dairy foods to our community.

*Official Signature and Seal*

In witness, whereof I hereunto set my hand and cause the SEAL of CITY to be herein affixed.
